After opening with a highly promising record of 6-0, the Beverly football team and head coach Roger Rosinski never expected injuries would plague their budding success. Frustrated and scoreless in it's next three games, the team dropped to 6-3. However, "revenge" is what captains Tom Kaylor and Dave Costa sought, upon entering the season finale. Thanksgiving Day game. Beverly mustered the strength and determination to beat Salem at Bertram Field 20-14. The triumph gave Beverly a respectable 7-3 finish, placing them third in the NEC; and is an indication that next year's team will continue to be a powerful force in football.

The BHS Football Cheerleaders had a most consistent season in '93, under coach Laurie McCulloch. The girls faced enormous obstacles, but under co-captains Jill Donlon and Robin Sidel, success flourished throughout, handing Beverly second, third or fourth place finishes in every regular competition. Topping the list of season highs was the enormous support the girls received in placing third on Beverly's own turf, and rallying the crowd during the annual Thanksgiving Day game pep rally. As one captain stated, "We were successful because we really came together through the ups and downs."

Under the first year of being called 'Girl's Flag Football', the team from Beverly hosted the annual one-day post-Thanksgiving game against Salem at Hurd Stadium. Though Beverly scored first numerous times, Salem's rough play prevailed 34-29; the first win for Salem in three years. Plays such as the "Super Sneak" however kept Beverly on the offense, and the game close. The girls felt they could've used more practice time with coaches David Farrar and Wayne Clark. According to captains Nicole Foss and Karrie Liporto, "everyone had a great time. Too bad it's only one game!"

The BHS Girl's Soccer Team under Veteran coach Dick Maitland rose to the occasion in '93 after losing it's NEC crown to arch rival Salem last year. The team not only finished the season with an impressive 16-1-1 record, but reclaimed its berth atop the NEC with an 1-0 victory at Bertram Field over Salem. For tri-captains Bekah Knight, Melissa Newman and Karrie Liporto, the force responsible for the girl's success was that "there's no 'I' in team." This and the remarkable depth, naming four players to the NEC All-Star team, proved enough to keep Beverly determined in a slim 1-0 loss to Wakefield in the State Tournament. With many two to three year varsity players returning, Beverly sets its sights on another great season in '94!

There was much speculation that the 1993 Beverly Boy's Soccer team would once again be a driving force under second year coach Alvaro Ibanez. With it's five captains named NEC All-Stars; Justin Damato, Edgar de Leon, Chris Kersker, Ethan Murray and Ric Nunes- Beverly more than showcased it's ability. Ending the season at 12-3-2 put Beverly in a second place tie with Salem. Hoping to relinquish any doubts about the regular season, the boys were determined to put up a fight in the State Tournament. It wasn't until after a valiant effort through double overtime gainst Cambridge-Rindge and Latin that Beverly's season came to rest, 2-1. With the departure of it's valuable senior players, key roles will be left for a young 1994 team to fill. Good Luck!

The BHS Soccer Cheerleaders showed early prospects for their 1993 season to be a success with practice beginning in June. And victorious is exactly what the girls were, placing first in both the NEC and Northern Area competitions. But their accomplishments far from ended there- as captain Audrey Normand recalled, "cheering the guys through the Salem game" easily served among the highlights of the season. With the large number of girls returning next year, the team is sure to once again spell S-U-C-C-E-S-S!

BHS Field Hockey coach Deb Kline felt her team lost spirit as the beginning of the season unfolded in defeat. Ending at 8-7-2, captains Althea Downing, Sarah Mott and Jenn Cotraro remark the 1-0 season-ending triumph over undefeated Bishop Fenwick as the team's most memorable event. Row 1 (l-r): Coach W. Davis, J. Cohen, K. Gambale, B. Burke, D. Putnam (Capt.), J. Howarth, S. Davison, J. McAskill, J. Messinger

After sharing the title with Danvers last year, the 1993 BHS Golf team stood alone at the top; placing first in the NEC once again. After losing key players early on in the season, captain and Conference All-Star, David Putnam recalls the team "hoping to get over .500!" But Beverly ended at 7-2, with a near- historic 1 point win over Danvers. Next year's team will have as much depth and hopefully the success to match!

TENNIS

The BHS Girl's Tennis team faced a tough year, but they "had a lot of fun" according to the players. Key victories for the struggling team included defeats of Lynn English, Winthrop and Lynn Classical. As co-captains Kristine Newhall and Heidi Sullivan remarked, "it was a fighting year- we lost 80% of last year's varsity team." However the girls completed a 7-11 season with a victory over Salem, who they had lost to earlier in the season.
